HR70-14

APPROVED FOR RELEASE Historical Collections Division HR 70-14 Date: 2 May 2012

PRESENT: Messrs. Earman, Long, Harvey, Col. Hansen, Capt. Giniger,

Monday, 18 February 1952

a. Reported meeting was held yesterday to discuss the three substantive intelligence portions of the Congressional briefing. We have received no word from the Hill as to the day but have asked for a week's notice before the hearing. The material will not be shown to the DCI until it has been approved by the Deputies. A 125-page digest of the world situation in brief, indexed by country, will be available in lithograph form (65 copies) tomorrow and may be used in situations other than the budget hearing. Col. Hansen will send copies to Messrs. Dulles and Earman. Mr. Becker will be asked to assign someone to keep the book, which will be in loose-leaf form, up-to-date. b. Noted that the Saturday TDMES HERALD carried a story on the Munson testimony before the McCarran subcommittee with the headline on CIA penetration by Communists. c. Requested that Capt. Giniger work with him on presentation during this week. a. Requested ideas for DCI remarks before Armed Forces Policy Council from Congressional briefing material. Mr. Becker has typewritten copy of world situation material in unedited form which can be used for this purpose. b. Noted that the responsibility for keeping the DCI informed as to substantive PSB matters has been transferred from to Col. Taylor. Mr. Long will take up with DD/P staff question of ensuring that DCI is kept properly informed. Mr. Harvey: Mr. Harvey:
